

Camp Casey

Dear Valued Guest,

Hello and welcome to the Casey Lodge! Casey Lodge is just the place for you...relax, billet, and enjoy!

Casey Lodge has been open since September 1997, and is dedicated to serve **you**, as you protect and serve! Currently, Casey Lodge has just completed a 40-room expansion, bringing our total room inventory to 65!

Each of our guest rooms is equipped with cable television, VCR, microwave, refrigerator and central air and heating. We have many room types available. Some rooms have one queen bed and a cot, some rooms have one queen bed, one single bed and one sleeper sofa and other rooms have four single beds. We will certainly make a request for a specific room type for you, and will make every effort to meet your needs, ***but we cannot guarantee your room type, due to limited availability.***

Although our facility is not large, you will find that our ***commitment to you*** is large! Our front desk staff is bilingual, and may assist you with your accommodations. Customer service is our mission and we strive to ensure that your stay with us is an enjoyable one. We know that being away from family members, as well as the comfort of your own home, is a hardship...that is why your well-being is of the utmost importance to us!

You are currently located on the main post at Camp Casey, just inside Gate #1. We are minutes away from the AAFES PX, Commissary, Food Court, Video Rental/Bookmark, Bank, Library and Post Office. You'll find all MWR information, like clubs, dining, recreation and more by visiting the Camp Casey MWR homepage at www.caseymwr.com

Outside the main gate, you'll find numerous stores available for your shopping needs! You will find it all! Rather it is hand-tailored suits, casual wear, evening gowns or dresses, it's in Dongducheon! There's also a wide variety of blankets and gift items to choose from. The night life is filled with social clubs for you to visit...but remember curfew (check with current curfew times when leaving post at access gate)! Whenever off-post, always use safety and precautions. Although it is usually safe to travel off-post, we recommend you use the "buddy system" at all times.

The staff at Casey Lodge would like you to enjoy your stay with us and hope you create fantastic memories during your stay in Korea! If we may be of any assistance to you, either prior to or during your visit, please don't hesitate to contact us!
